One Conspiracy Unearthed.

If President Wilson has received his copy of the current issue of The Commoner, William J. Bryan, editor and proprietor, entered at the postoffice at Lincoln, Nebr., as second-class matter, he in comnon with other subscribers has doubtless been greatly enlightened on a very important subject hitherto belouded in more or less of mystery.

dent pointed to these letters as evidence of a conspirator of the part of "big business" interests to block his program of anti-trust legislation. At the conspirators he hurded defiance and, after a conference with Oscar Underwood, party leader in the House, who shares the views of "big business" interests, ordered that his program be rushed to completion.

In support of his decision to ignore the appeal of the parts of "big business" interests the President last Saturday gave to the press copies of letters and telegrams he had instant of the parts of "big business" interests to block his program of anti-trust legislation. At the spiral parts of the part of "big business" interests to block his program of anti-trust legislation.
